## Contents

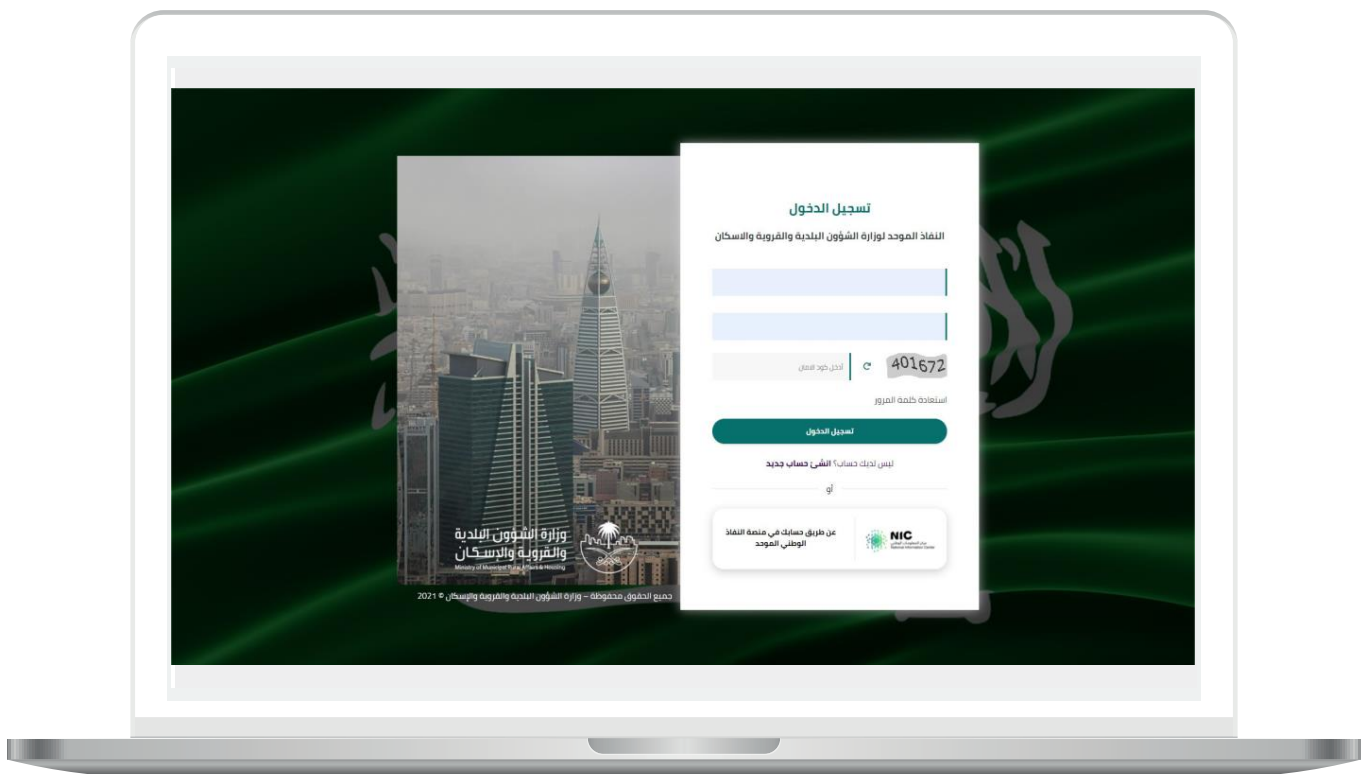

Login to the system	03
---------------------	----

Steps of Service Request	06
--------------------------	----

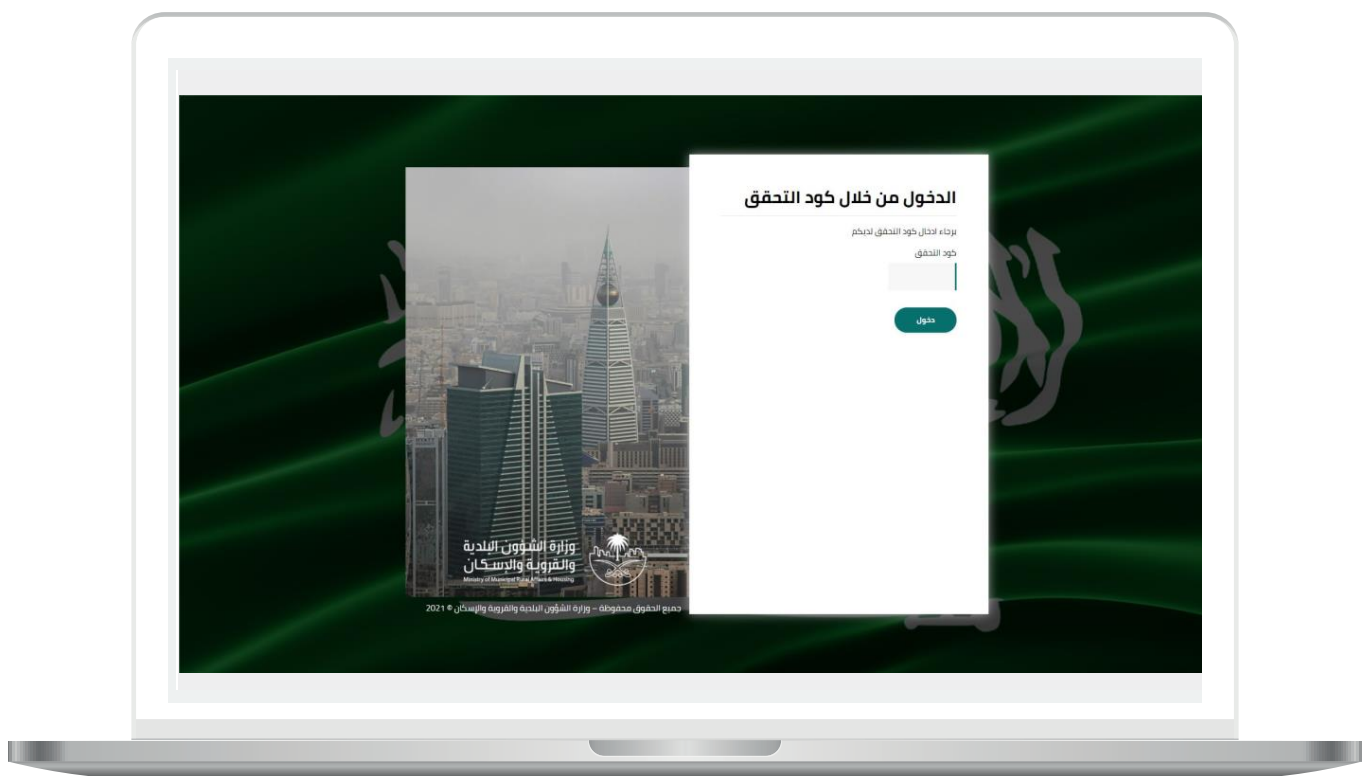

## Login to the System

1) After accessing the system link, the following screen will appear, where the user enters their details (**National ID/Iqama Number, Password, Security Code**) and then clicks the (**Login**) button. The security code can be changed by clicking the circular arrow icon.

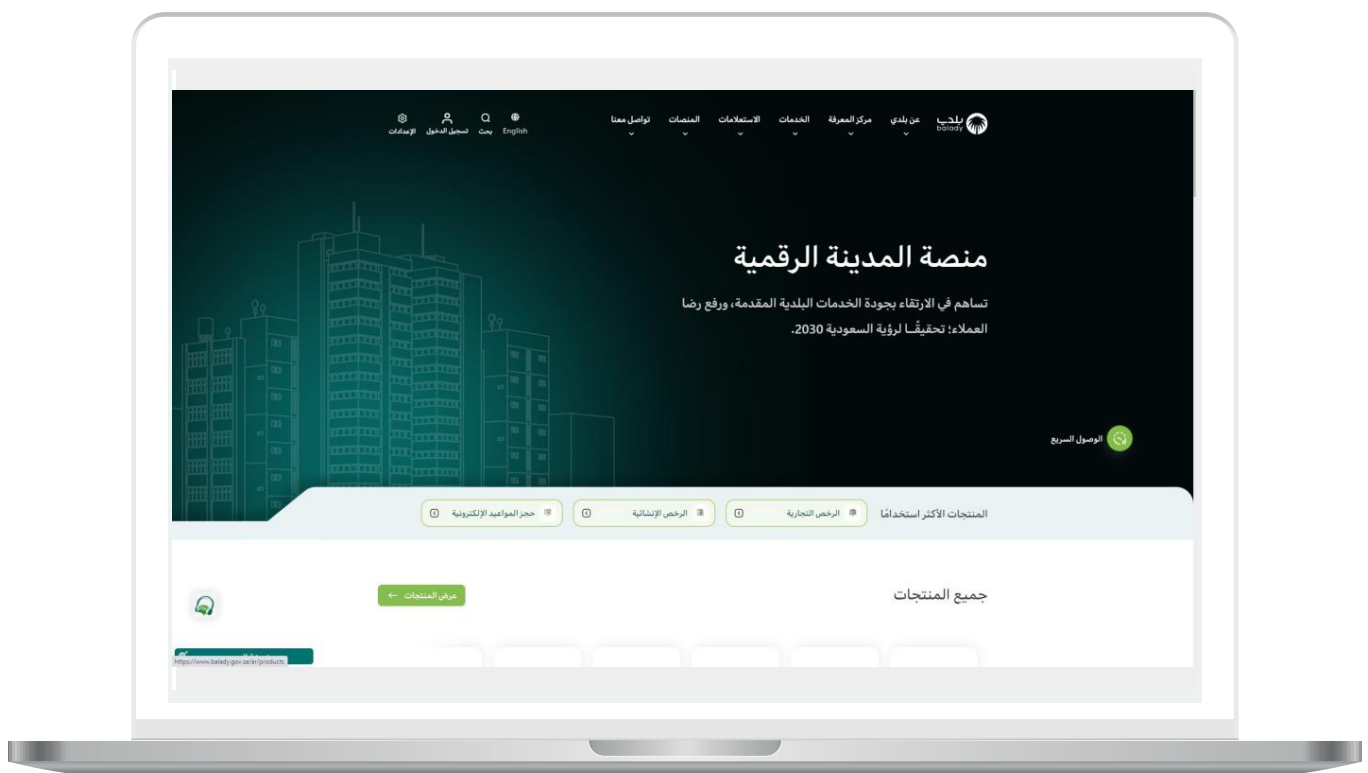

2) A verification code will then be sent to the user's mobile phone, which they need to enter in the (**Verification Code**) field and click the (**Login**) button, as shown in the following screenshot.

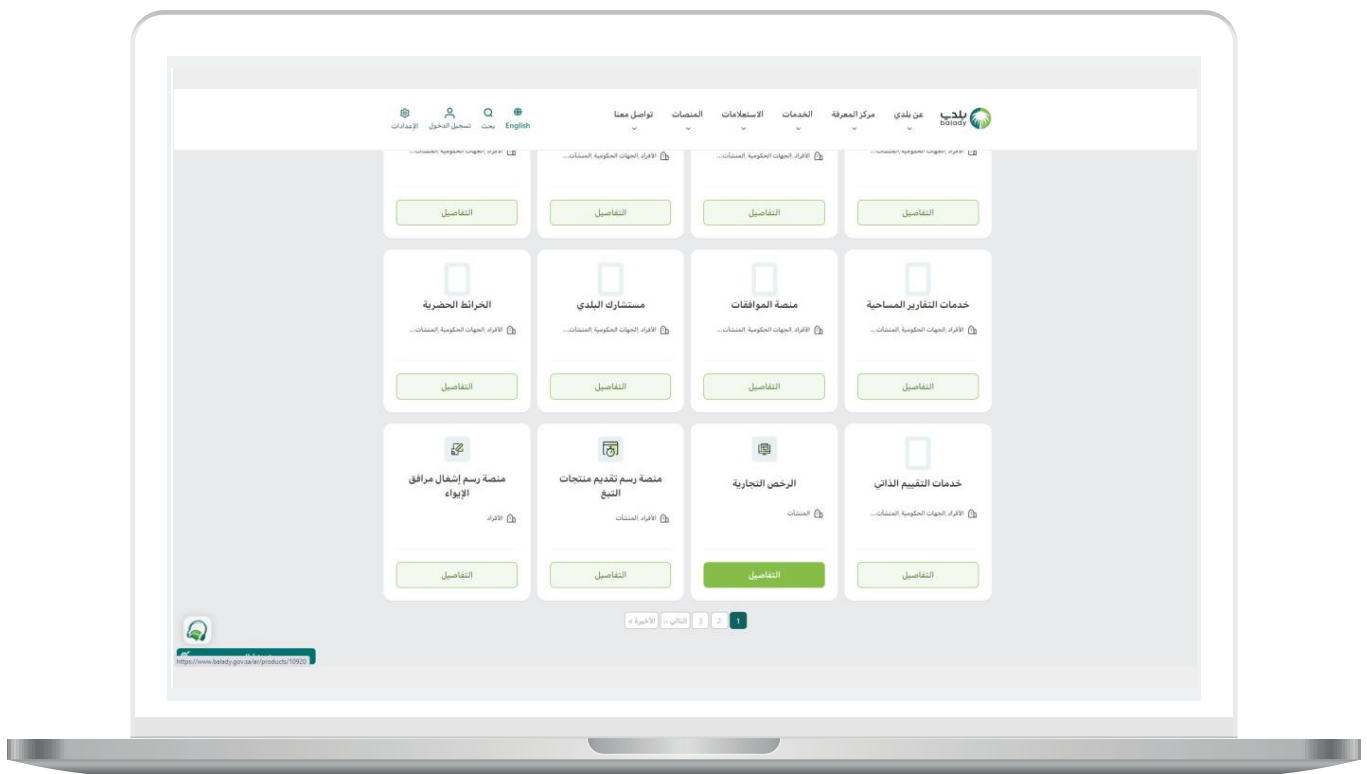

3) Once logged into the Balady platform, the platform's main screen will appear, as shown in the screenshot below.

The user then clicks the **(View Products)** button.

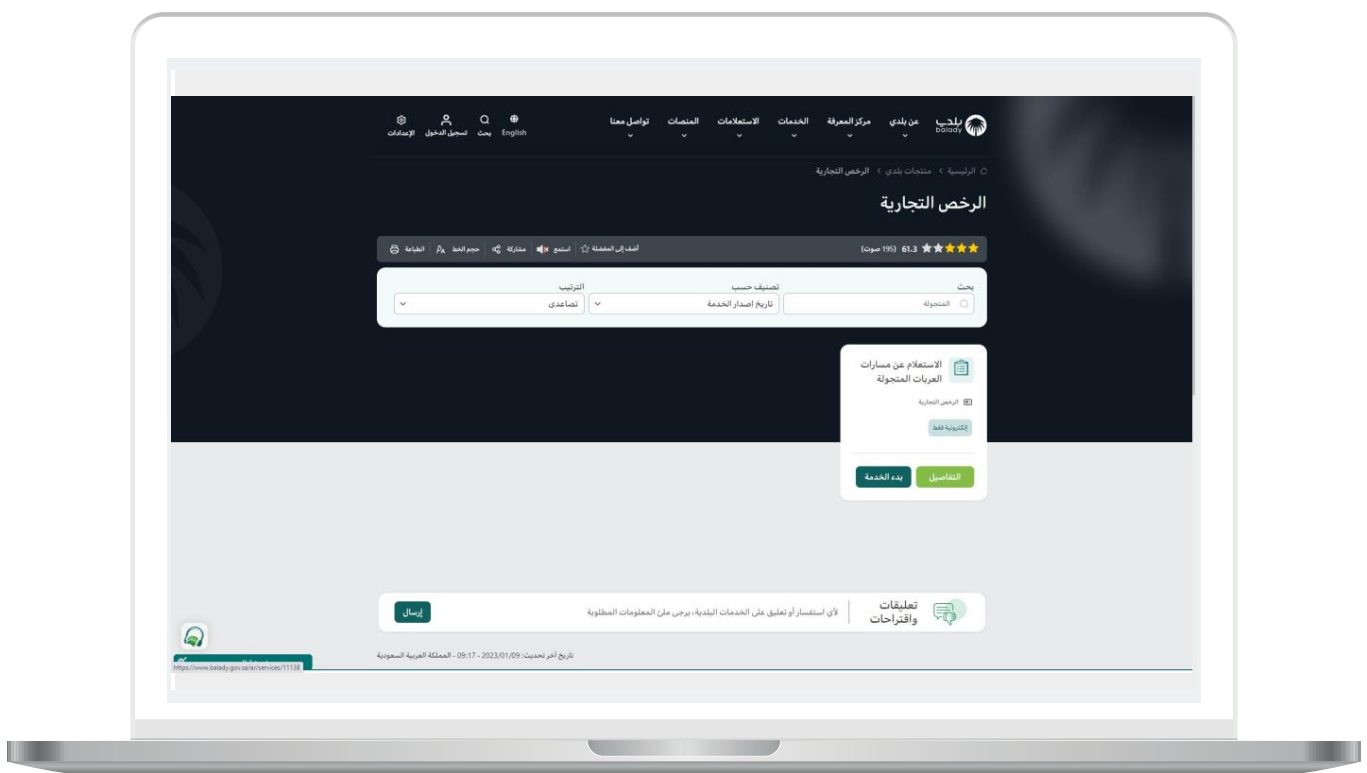

## Steps to Request the Service

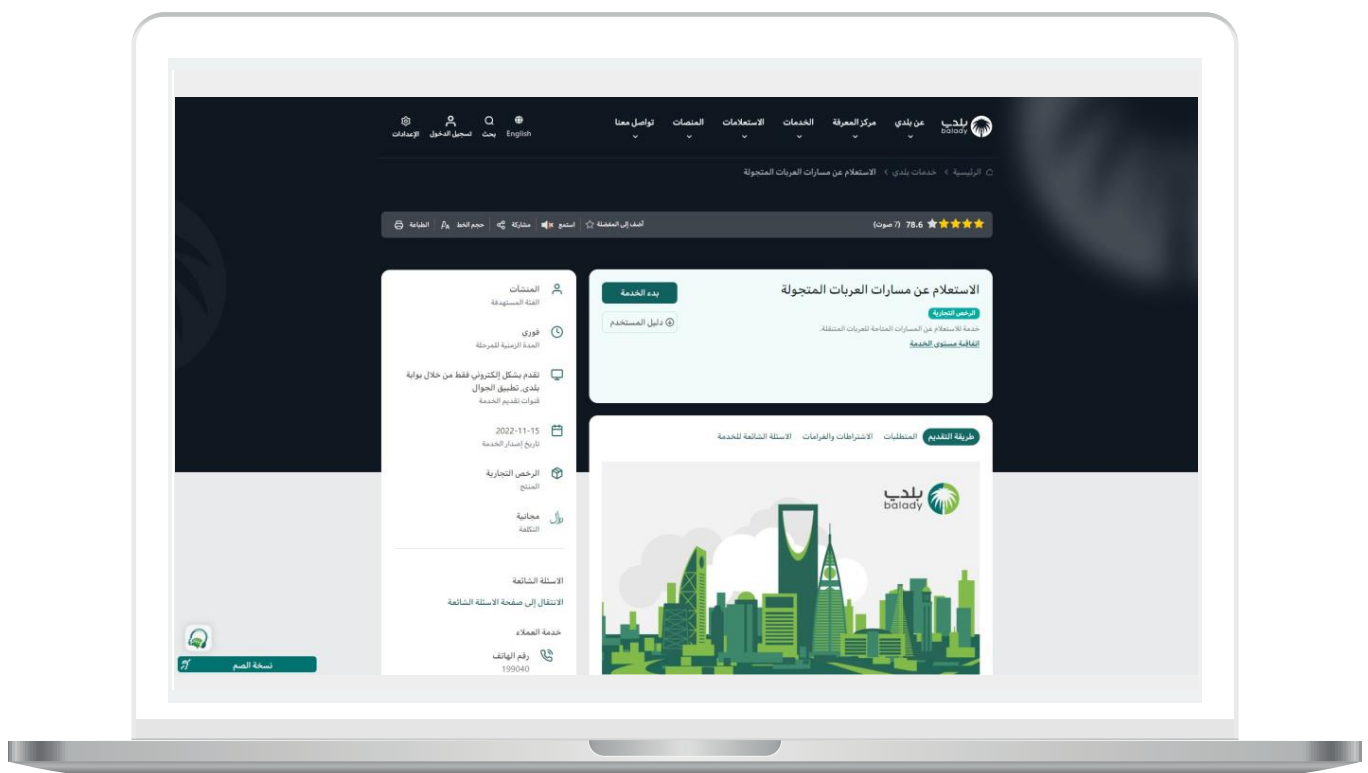

1) To begin the service application process, select the **(Commercial Licenses)** menu, as shown in the screenshot below.

2) From the screen shown below, search for (Inquiring About Mobile Cart Routes).

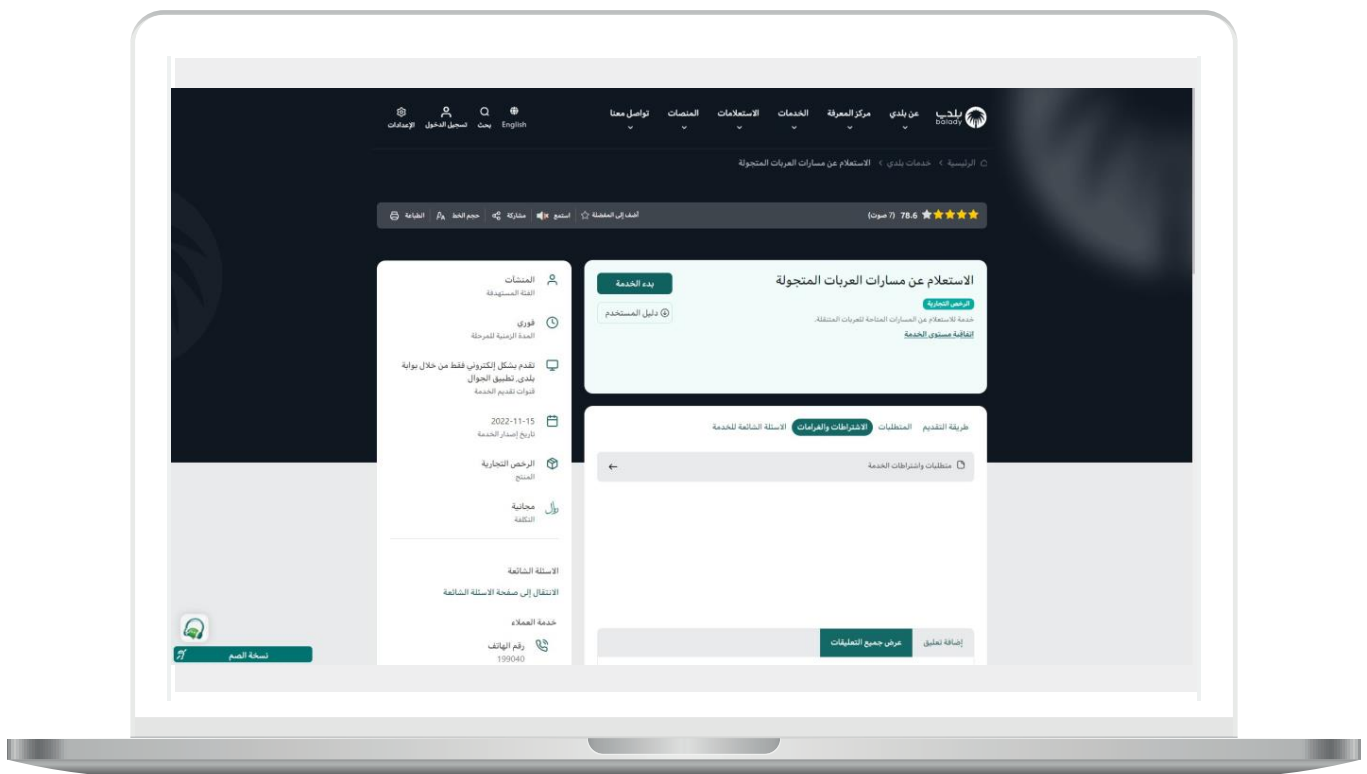

3) The next screen appears, allowing the user to view (How to Apply, Requirements, Conditions and Fines, etc.).

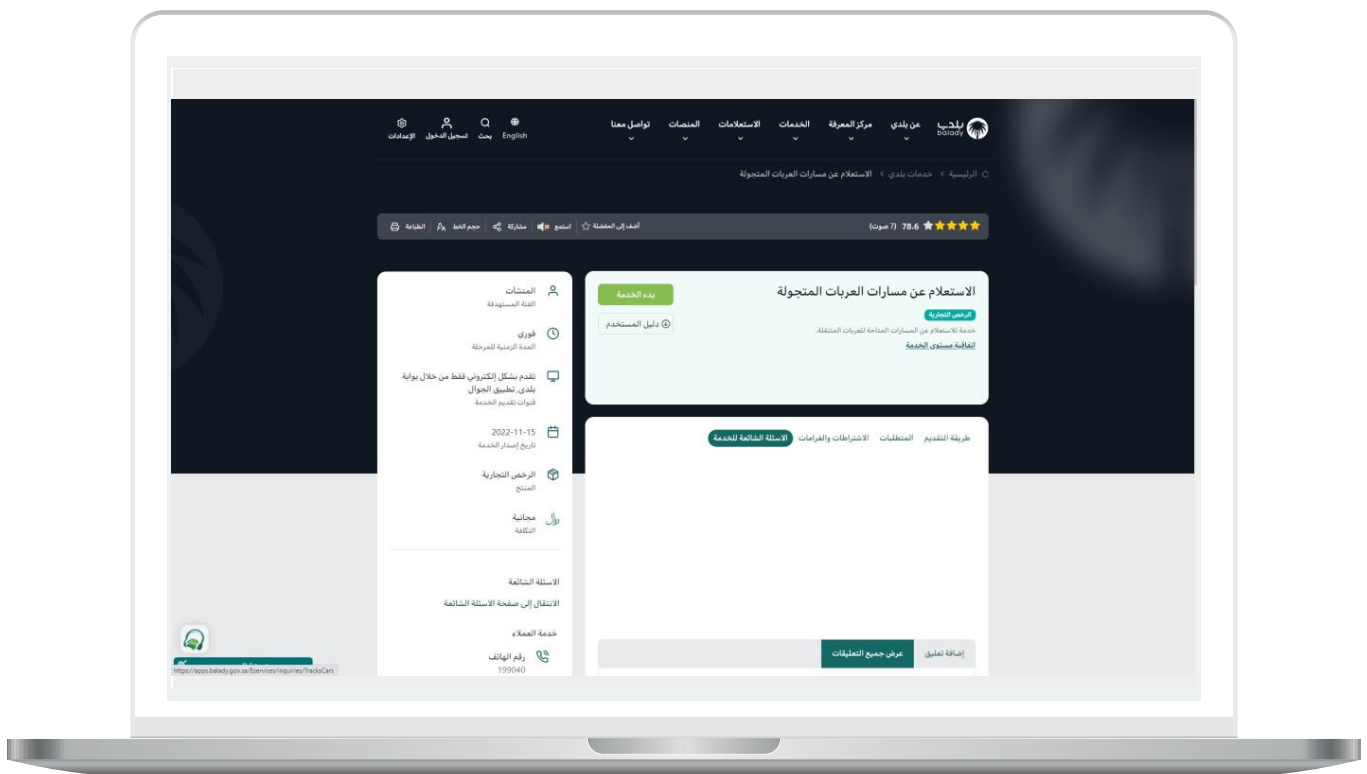

4) The following screen represents the (Conditions and Fines) section.

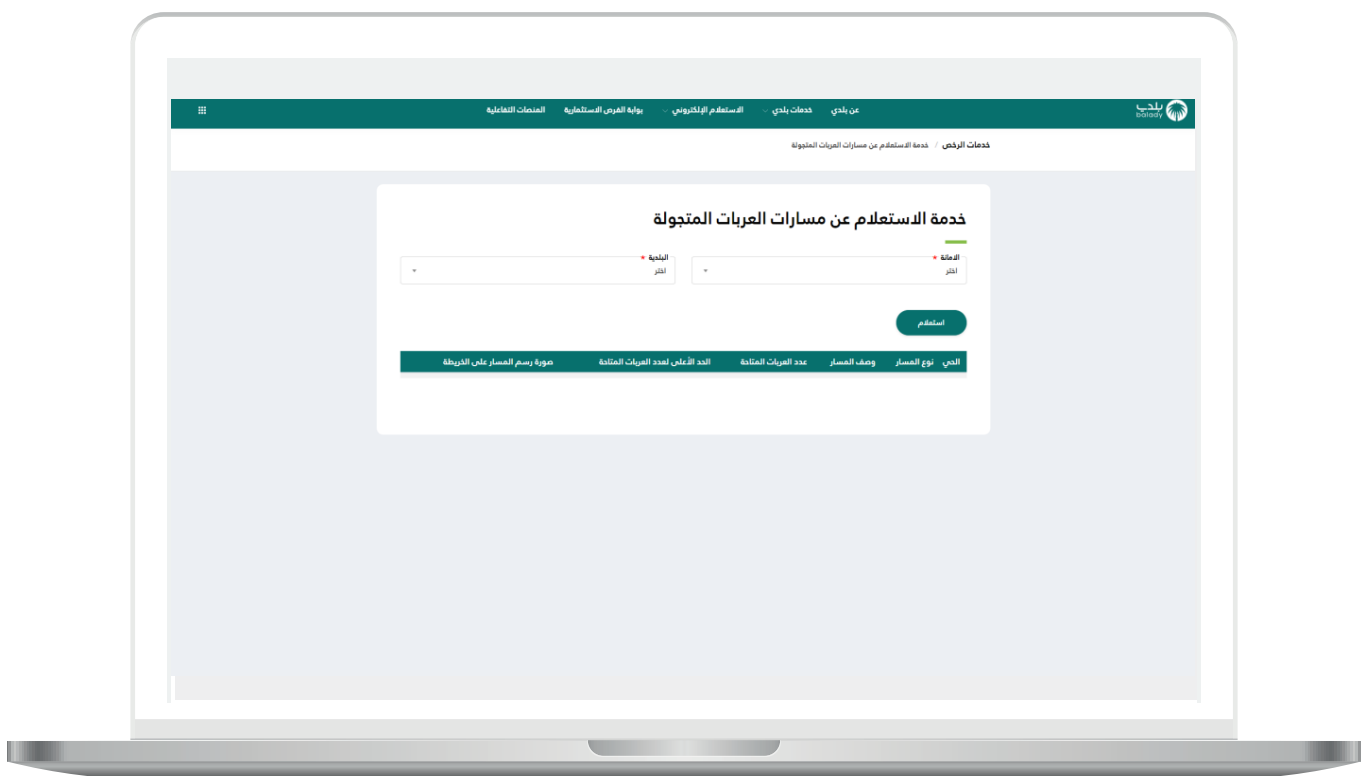

5) The following screen represents the (Frequently Asked Questions) section.

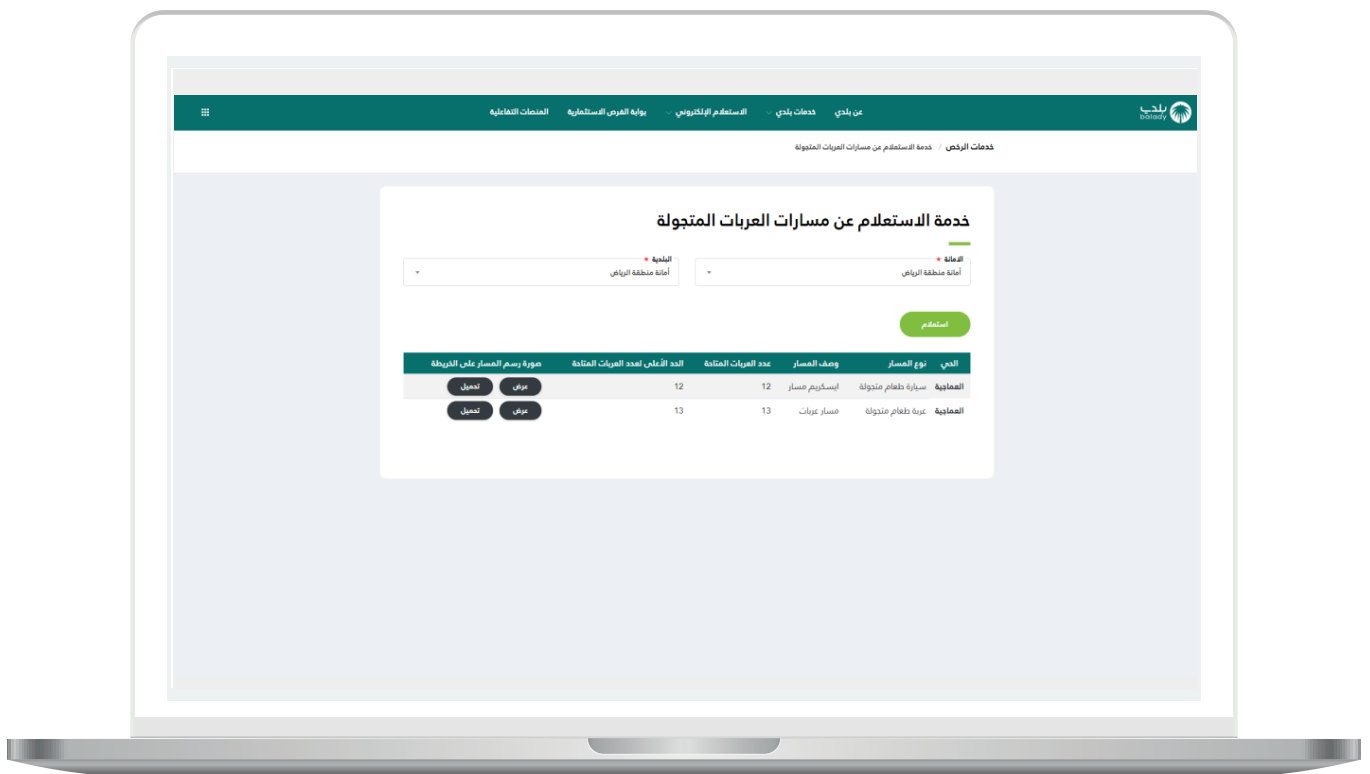

To start the application process, the user clicks the (Start Service) button.

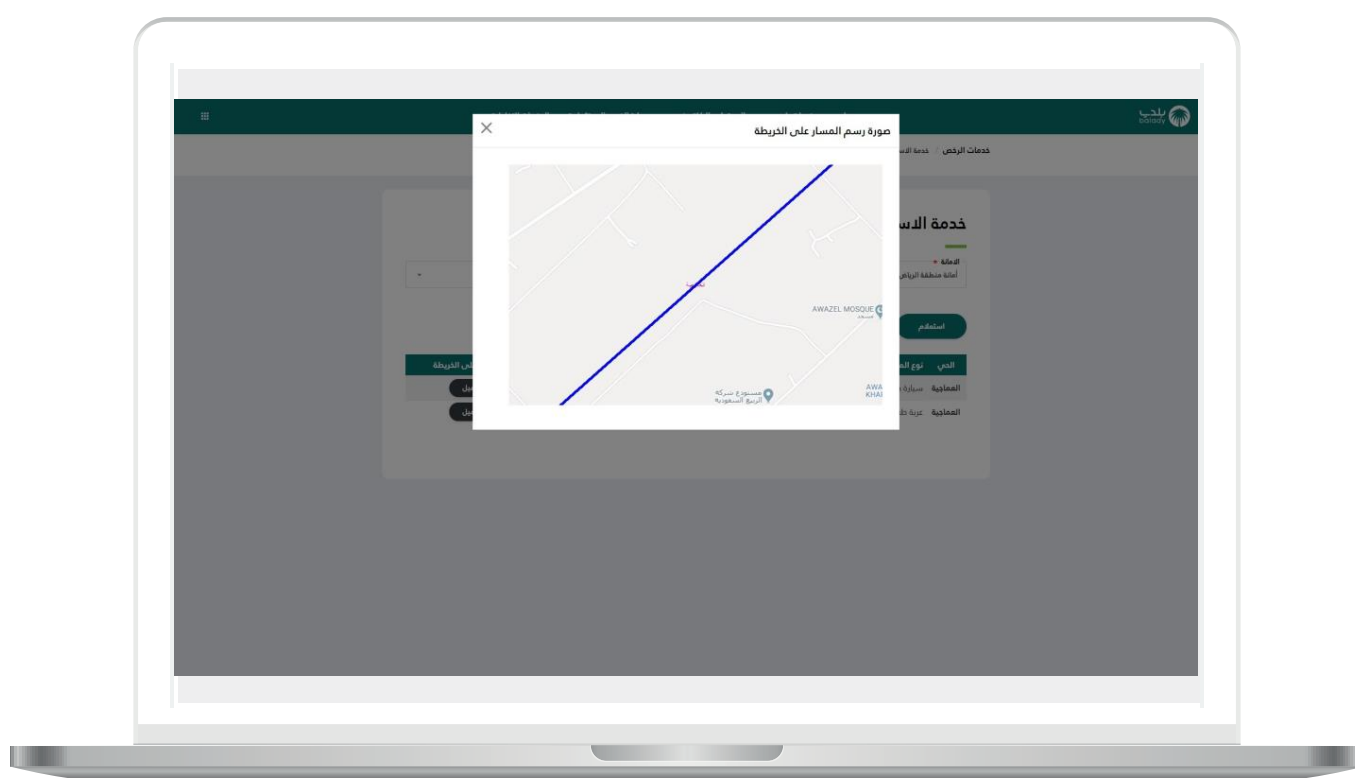

6) The following screen then appears, where the user selects values from the dropdown lists (**Municipality, Secretariat**) sequentially, then clicks the (**Search**) button.

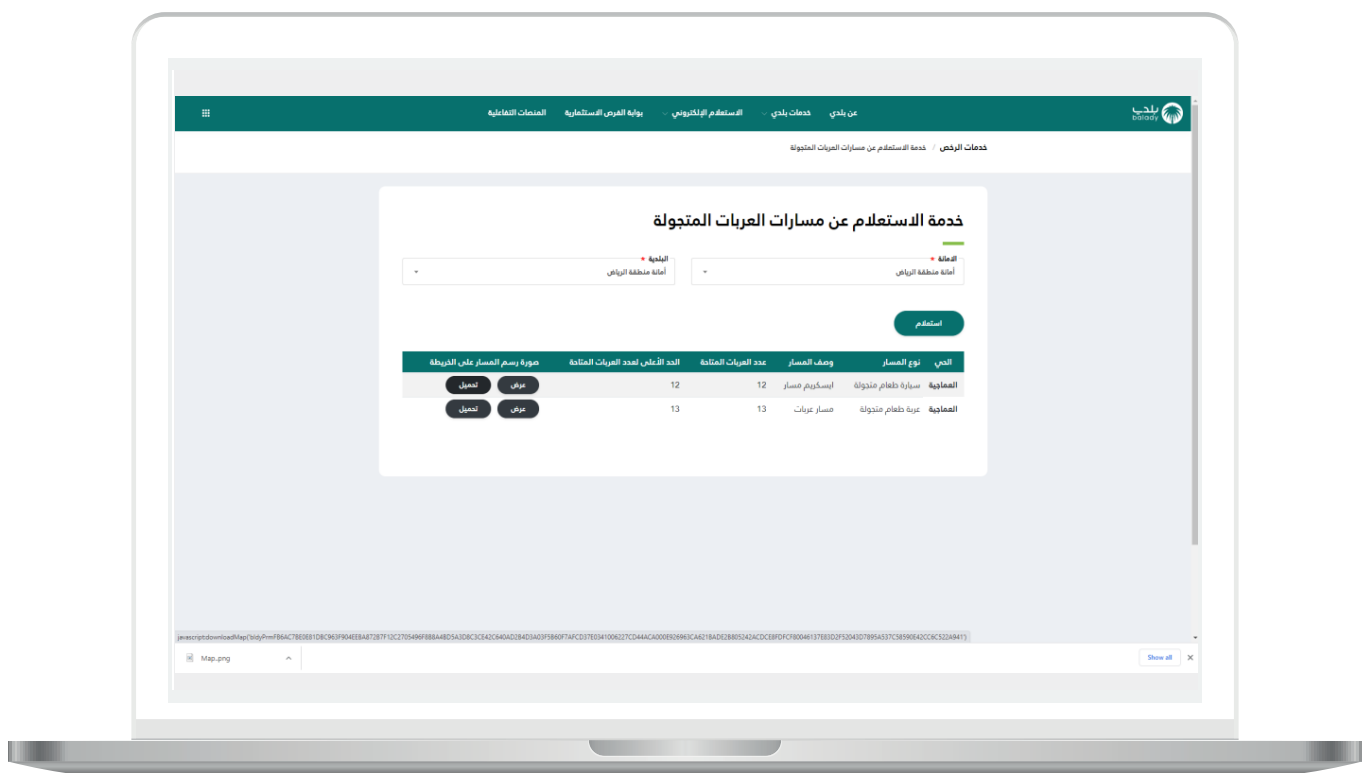

7) The following screen then appears, displaying all available routes in the selected Municipality. The user can view a map image of the route by clicking the **(View)** button or download the route image by clicking the **(Download)** button.

8) After clicking the **(View)** button, the route image appears on the map as follows.

9) After clicking the **(Download)** button, the route image is downloaded to the device as follows.
